Additional Services

We aim to accommodate your specific project needs with our additional services.

Additional standard web pages past 1 up to 5	\$125 per page
Additional standard web pages past 5 up to 10	\$100 per page
Additional standard web pages past 10	\$75 per page
Online Store Pages*	\$65 per hour site add-on
Blog Page Setup and Customization	\$65 per hour site add-on
Customized Contact or Other Forms	\$65 per hour
Customized WIX Template (client completes content)	\$65 per hour minimum
Photography for Website	\$65 per hour minimum
Image Procurement for Website (Outside Wix)	\$65 per hour
Copywriting and Editing	\$65 per hour
Search Engine Optimization & Marketing Consult	\$65 per hour
Website Training/3-hour	\$65 per hour/\$180 for 3 hours
Website Maintenance/3-hour (15 minutes/month)	\$65 per hour/\$180 for 3 hours
Website Maintenance/6-hour (30 minutes/month)	\$65 per hour/\$330 for 6 hours
Deep-Scrolling Web Page	Section counts as a page
Complex Domain/Email Configurations	May refer to another service

Note: A Page is approximately 1000 px in height. Subpages Count as Pages.

Store design cost depends on the platform: Wix Store or Ecwid. Please estimate 6 hours or more for Ecwid store with a fully-customized design and 10-12 products uploaded.

Not Included in the Custom Web Design Package: [The client pays for WIX annual hosting separately.](#) For most websites, we recommend the Unlimited plan for \$168/year. Go to wix.com/upgrade/website for all plans. The client must purchase the domain either through WIX or another domain registrar; a domain is free the first year with most WIX plans. Private domain is \$9.90 extra.

WIX Web Maintenance & Training Packages

Website Maintenance By the hour, 3 hours, or 6-hour, worry-free plan.

What's Included:

- Making website back-ups
- Checking all apps, buttons, and links to ensure they are working properly
- Checking all text and element alignment on both desktop and mobile
- Checking for missing elements and apps
- Testing search engine optimization
- Ensuring that a domain is connected properly and up to date
- Making quick edits (typos)

What's Not Included (billable by the half hour):

- Major edits and revisions to site (if not part of a website building package)
- Client consultations and trainings (if not part of a website building package)
- Customized instructions
- Project management
- Conference calls

Website Training

What's Included:

- Teaching client how to edit text
- Teaching client how to edit images and grid galleries
- Teaching client how to fix text and element alignments
- Teaching client how to save and publish work
- Teaching client how to make site duplicates
- Teaching client how to go back into site history if s/he has lost work
- Teaching client how to add blog posts
- Teaching client how to add dynamic content (e.g. calendar, list, and testimonials)
- Teaching client how to add products and product options to WIX Store or Ecwid
- Teaching clients how to manage booking tools

We will keep track of all maintenance and/or training hours and will contact you if you are about to use up your allotted time. Hours may be rolled over into the next year. Packages are payable in advance via check or PayPal. We can customize a maintenance/training package.
